

**REGROWTH**  
KURRI KURRI

We're looking to conserve around 1300 hectares of land between Kurri and Maitland.

# WHAT DO YOU THINK?

Hydro is looking to conserve more than 1300 hectares of land and create a unique conservation site within the Lower Hunter.

Much of the land contains threatened species of flora and is habitat to many native animals. The conservation land will be managed to maintain biodiversity within the site.

We want to understand what you, as a member of the community, think of the idea, and what issues we should consider.

### **PLEASE LET US KNOW:**

Call the community information line 1800 066 243

Email us on [community.kurri@hydro.com](mailto:community.kurri@hydro.com)

Call or email and we will send you a fact sheet.
